

Michael R. Rozovics
Receives Top Representative Award at Genworth Financial
Investment Services' Tenth Annual National Convention

Schaumburg, IL – 5/15/08 – **Michael R. Rozovics, Registered Representative/Investment Adviser Representative**, was formally recognized as a financial services professional whose dedication and commitment has placed him among the top of his industry peers. Mike's Park Ridge-based practice serves approximately 650 clients, \$32,000,000 in assets, and focuses on delivering clients with value-added wealth management solutions. Mike was presented with the prestigious "Top Representative" award by Enrique M. Vasquez, President, Genworth Financial Investment Services, during the organization's Tenth Annual National Convention awards ceremony on May 5, 2008.

For the first time in the ten-year history of the convention, an internationally recognized freeblown glass artist, Robert Lee Fritz, was commissioned to produce handmade, one-of-a-kind awards, designed to capture the essence of the winners' achievements as a Genworth Financial Representative. Robert noted, "I was inspired by the Genworth Financial compass-like logo. And, in order to match the intensity of the logo's color, I used concentrated lapis-blue-colored glass crushed into fine powder, which I transformed into bubbles that swirl and spiral into the middle of the disc, mimicking the compass design and symbolizing both movement and progress."

Noted Vasquez, "We are very proud to recognize the accomplishments of our Representatives, like **Mike Rozovics**, who are a credit to our organization. We're pleased to be able to partner with an individual of his knowledge and expertise, and every member of our team that works alongside Mike is truly energized by his success."

More than 1,100 Representatives, speakers, exhibitors, and guests attended the three-day conference in Las Vegas. Representatives chose from more than 35 sessions focused on

advancing the conference's theme: **"Plan, Manage, Grow: Keys To Your Success."** Topics designed to help Representatives sustain and grow their practices through the application of practice management-based techniques and tools included **PLAN:** "IRA Distribution Planning: Making the Most of Your IRA," **MANAGE:** "The Power of an Administrator," and **GROW:** "Long Term Care Planning Solutions." The Convention is specifically structured to keep Representatives and their practice colleagues informed about the latest industry trends, improve their capabilities to better serve their clients, and offer valuable networking opportunities to exchange information about best practices.
