

**Michael R. Rozovics
Receives Top Financial Adviser Award at Genworth Financial Investment Services'
Eleventh Annual National Conference**

Schaumburg, IL – June, 2009 – Michael R. Rozovics, Registered Representative and Investment Adviser Representative, was formally recognized as a financial services professional whose dedication and commitment to his clients and client service has placed him among the top of his industry peers. Mike's Park Ridge-based practice serves approximately 745 clients, \$23 million in assets, and focuses on delivering value-added wealth management solutions to clients. Mike Rozovics was presented with the prestigious "Top Financial Adviser" award by Enrique M. Vasquez, President, Genworth Financial Investment Services, during EXPLORE 2009, the organization's Eleventh Annual National Training and Education Conference awards ceremony on May 3, 2009.

Robert Lee Fritz, an internationally recognized artist who works in free-blown glass, was commissioned to produce the handmade, one-of-a-kind, specially designed award. Robert noted, "I used an adaptation of the Genworth logo and worked it into a lapis blue spiral rising upward. Along the curved lines are internal bubbles representing the many paths to excellence. The lines lead you up to the large single bubble at the top symbolizing your performance which stood out among your peers. I hope this sculpture reminds you of the numerous people you've worked with and the many accomplishments you have achieved with your affiliation at Genworth Financial."

Noted Vasquez, "We are very proud to recognize the accomplishments of our top Financial Adviser partners, like Mike Rozovics, who through their service and dedication are providing their clients with the best support available. We are pleased to be able to partner with an individual of his knowledge and expertise, and every member of our team that works alongside Mike Rozovics is truly energized by his success."

More than 800 Financial Advisers, speakers, exhibitors, and guests attended the three-day conference in Orlando, FL. EXPLORE 2009 is specifically structured to keep Financial Advisers and their office staff apprised of the latest industry trends, improve their capabilities to better serve their

clients, and offer valuable networking opportunities to exchange information about best practices. Mike Rozovics selected from more than 45 general and concurrent sessions that advanced the conference's theme: **"Enrich, Empower, Evolve."** This year, sessions were focused on providing Financial Advisers with tools for working more effectively with clients. Challenging economic circumstances mean clients need professional advice more than ever, and the goal of the meeting was to make sure that Financial Advisers are best-positioned to meet the needs of their clients.
